

# TRIDEV ENGINEERING

## TOTAL MEP & IBMS SYSTEM

- ▶ 24/7 SUPPORT
- ▶ HIGH QUALITY
- ▶ FAST AND RELIABLE SERVICE

## Why us ?

- 1 One stop solution for your CIVIL Electrical - HVAC FFTG IBMS requirements
- 2 Customized solution ensured
- 3 Cost effective
- 4 Best Pre & Post order services
- 5 Strict quality control form raw material procurement stage to hand over projects
- 6 Effective clean and quick internal & external communications.

## WHO WE ARE

# OUR FEATURES SHOWCASE

### **Vision**

Our vision is to get exponential growth and make a lasting contribution in leading organization

### **Mission**

An organization established on the foundation of quality and excellence, dealing with high quality products and services that have visualized and understand the customer concept and their choice in fast changing market

### **Core Values**

Excellence in quality, Customer Commitment, Team Work, Integrity, Personal Accountability

### **Business Philosophy**

Simplification, Cost Efficiency, Cohesion, Talent, Hightech

### **Corporate Spirit**

Innovation, Competition, Transcendence

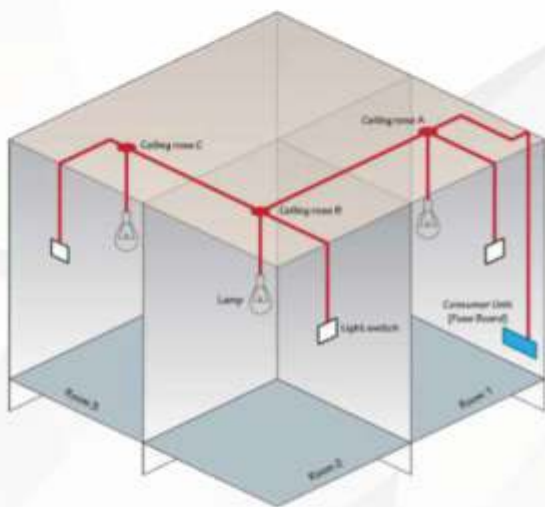

### **System- Service-Support**

Residential  
Commercial  
Industrial

## MEP SYSTEM SITC CONTRACTOR AND LIAISONER :

- ◆ Electrical System
- ◆ ELV System
- ◆ FFTG System
- ◆ HVAC System
- ◆ Plumbing System
- ◆ AMC Maintenance

## RESIDENTIAL SOLUTIONS

- ◆ Internal & External Electrification Work
- ◆ Solar System Solutions
- ◆ Home theatre system
- ◆ Multi Room Audio System
- ◆ Complete Home Automation
- ◆ Intercom /EPBAX System
- ◆ Access Control System
- ◆ Video Door Phone with Digital Locks
- ◆ Security /Intrusion Alarm System
- ◆ CCTV Surveillance System (IP & Analog)
- ◆ Fire Alarm System
- ◆ Gate Automation / Automatic Gates
- ◆ Wi-Fi Zone & Networking Solutions
- ◆ All kind of electrical Sales & Services

## DISTRIBUTION SYSTEM SOLUTIONS

- ◆ All Kind of Transformers
- ◆ All kind of DG Set
- ◆ All kind of Compact Sub Station
- ◆ All kind of UPS
- ◆ All kind of Inverter
- ◆ All kind of Stabilizer
- ◆ All kind of Air Compressor
- ◆ All kind of Electrical Panels ( HT / LT / HVAC / PLC / BMS )
- ◆ HT / LT Bus duct ( Air Insulated / Sandwich type )
- ◆ Lightning Arrester
- ◆ Turnkey contracts for HT / LT Electrical work
- ◆ HT / LT Cabling Work (With Material or Labour)
- ◆ Earthing & Lightning Protection
- ◆ Internal & External Electri cation

## IBMS (ELV) SYSTEM SOLUTIONS

- Access Control System
- Time & Attendance Recording System
- Intercom / EPABX System
- Office Automation
- IT & Networking Solutions
- LAN/WAN/Wi-Fi Zone
- Fiber Optic Solutions
- Public Addressing System (Multi Zone)
- Conference System & Projectors
- Video Conference System
- Fire Alarm System
- Security / Intrusion Alarm System
- Gate Automation
- Boom Barriers /Automatic Gates
- Server & Network Products
- CCTV Surveillance System (IP & Analog)
- Building management System

**EXTRA LOW VOLTAGE (IBMS)**

## HVAC SYSTEM SOLUTIONS

- ◆ Air Conditioning
- ◆ Chiller System
- ◆ VRF System
- ◆ Ventilation
- ◆ Maintenance after Sales
- ◆ HVAC Automation
- ◆ Modular Clean Rooms

## LIGHTING SOLUTIONS

- ◆ Lighting Installation
- ◆ Internal Lighting Installation
- ◆ Emergency Lighting Installation
- ◆ External Lighting Installation
- ◆ Facade Lighting
- ◆ High mast lighting
- ◆ All kind of poles

## PLUMBING

- ◆ Pressure valves
- ◆ High pressure water mains
- ◆ Draining system
- ◆ Plumbing project management
- ◆ High pressure management jetting
- ◆ Design installation maintenance commercial plumbing system for new and existing offices, factories, chain stores and commercial premises
- ◆ Hydropneumatic pump
- ◆ RO System and heat pump system

## FIRE FIGHTING SYSTEM SOLUTIONS

- ◆ Fire Hydrant & Sprinkler System
- ◆ Water Mist Fire Fighting System

## SOLAR SYSTEM SOLUTIONS

- ◆ Photovoltaic Solar Power System
- ◆ Solar Water Heater System
- ◆ Integration and Consultancy
- ◆ Solar Rooftops
- ◆ Solar Water Pumps System
- ◆ DC Solar Pumps
- ◆ Ac Solar Pumps
- ◆ Solar Pumping Controller Inverter
- ◆ Solar Panels/Modules

## INDUSTRIAL AUTOMATION

- We Provides Industrial Automation solutions and services. We provide all types of electrical control panels and automation panels as well as field instrumentation. We are specialized in PLC and VFD based automation panels and SCADA-HMI Development.
- We provide all types of LV Panels such as MCC,PDB,VFD,PLC,IMCC,PCC, APFC as per requirement We also provide onsite support and programming support for PLCs and VFDs

## AIR COMPRESSOR

- Brand Like Winair Compressors Ltd., Gardner Denver, MTA SPA Italy, Mark Compressors
- Air Compressors,
- Air Receivers,
- After/Inter Coolers,
- Moisture Separators,
- Unique Technology based Air Dryers,
- Micro Filters & Electronic Automatic Drain Valves

## OTHER ELECTRICAL SERVICE

- Annual Maintenance Contract
- Operation Maintenance Contract
- Shut Down / Break Down Jobs

# Safe & SECURE

FOR BRIGHT FUTURE
